

```
// =====
// PouchIcon.jsx
// Cowry · The locked Pouches icon – line drawing pouch with cowry
// =====
// Use this anywhere you need the pouch icon. It's a reusable
// SVG component that scales from 20px (tiny) to 240px (hero).
//
// USAGE:
//   import PouchIcon from './components/PouchIcon';
//   <PouchIcon size={48} />
//   <PouchIcon size={120} stroke="#1a2e22" accent="#c9a04a" />
//
// FILE PLACEMENT:
//   src/components/PouchIcon.jsx
// =====
```

```
